Sat: Closed  
Sun: Closed

## DENTAL TREATMENTS AVAILABLE HERE AT HANFORD DENTAL & IMPLANT CENTRE

### TOOTH WHITENING

Tooth whitening is used to enhance your smile by significantly improving the colour of your teeth, giving you a dazzling smile to be proud of.

We will provide custom-made bleaching trays which need to be worn for just a few hours each day, so it won't affect your daily lifestyle. After a few weeks you should have achieved a smile that has vastly improved. Ask us today if tooth whitening is the best option.

### IMPLANTS

Implants are used to restore your smile by replacing single or multiple missing teeth. They offer a permanent long-lasting option without affecting any of your other teeth, and will last for as long as you care for them, just like natural teeth. Each implant case is tailored to your individual needs.

### WHITE FILLINGS

Gone are the days where unsightly silver amalgam fillings are the only option. We now offer white fillings which are strong and discreet and can be used to repair decayed or damaged teeth.

### CROWNS

Crowns are used to repair teeth when they are weak and a filling would not be strong enough. They cover the entire tooth to provide a strong, long lasting restoration. There are lots of different types from tooth-coloured to gold crowns. The choice depends on the area in your mouth and your preferences.

We offer a wide range of dental treatments for our patients, some of which are explained below.

### VENEERS

Have you ever envied a celebrity for their beautiful white smile? Have you wondered how they manage to have perfectly aligned bright white teeth?

Well veneers are probably the answer. Veneers are made from porcelain and cover the front surfaces of teeth to improve the colour, shape and position of the teeth to improve their appearance, whilst still looking completely natural.

A single veneer can be used to restore a single damaged or discoloured tooth, to multiple veneers which can be used to completely transform the whole smile.

### BRIDGES

Bridges are used to span the empty space provide a fixed affordable permanent replacement for missing teeth that look great, they can be used for single teeth or for areas where multiple teeth have been lost. Adjacent teeth are used to hold the new tooth in place.

### HYGIENIST SERVICE

Hygienists play a key role in the maintaining of good oral hygiene, with good oral hygiene this results in healthy teeth which can last a lifetime.

During our hygiene appointments, we advise you of the importance of daily preventive care, including brushing and flossing which will help keep your oral health problems to a minimum.

Good oral hygiene will greatly reduce the risk of developing all kinds of tooth problems, such as decay and gum disease.

## PLAN MEMBERSHIP AVAILABLE AT HANFORD DENTAL & IMPLANT CENTRE

Make your dental treatment more affordable by spreading the cost with a convenient monthly Direct Debit.

### HANFORD DENTAL STANDARD MEMBERSHIP FROM £10.75 PER MONTH\*

We have introduced our own dental membership arrangement to reward and look after our patients who visit the practice regularly. Just look at what you can gain from becoming a member!

#### Appointments\*\*

Every six months, our members are entitled to:

- A dental appointment, including a clinical examination, a check for signs of oral cancer and x-rays if clinically indicated.
- A hygiene appointment to provide a full clean of the teeth and gums and advice on how to keep your mouth healthy.

#### Discounts\*\*\*

- 20% discount on any laboratory-based treatments required, i.e. crowns, bridges and dentures.
- 20% discount on any fillings.
- 20% discount on many other treatments (extractions, etc.).

#### Insurance\*\*\*\*

- Worldwide Dental Trauma Insurance to protect against the cost of large unforeseen accidental damage.
- Emergency Callout Insurance should you need a dentist in an emergency, anywhere in the world.
- Redundancy protection for your monthly payments for up to 12 months.

Please speak to one of our team for further details on the full range of benefits our members are entitled to. Please also ask us about other membership options available at the practice and we can advise you on the best plan to suit your needs.

\* An initial administration fee of £9.50 will be collected with your first payment only.

\*\* Subject to receipt of six consecutive monthly payments.

\*\*\* Discounts only apply to treatments carried out at the practice.

\*\*\*\* The price includes a small premium every month for the Worldwide Dental Trauma and Emergency Callout Insurance. Please see the Keyfacts document for further details.

Prices correct at time of going to print.

## PRICE LIST

All patients are given a treatment plan with a costing attached prior to any treatment.

Charges can be found on our website.

Patients can pay for their treatment by card, cash or cheque (made payable to Xaverian Dental Practice Limited).

We also offer 0% finance (subject to status).

Our monthly membership plan is an excellent way to budget for quality private dental treatment.

## EMERGENCY SERVICE

If you are in pain during surgery hours, please call the practice and we will ensure that you are seen ASAP.

Dr Cummings offers his private patients an out of hour's emergency service of an evening and weekend, please call 07799306484.

If you are a practice plan member then your insurance within the plan covers you for emergency events, at home or abroad.

## STERILISATION AND HYGIENE

The practice follows strict hygiene guidelines in accordance to HTM 01-05

## ACCESS

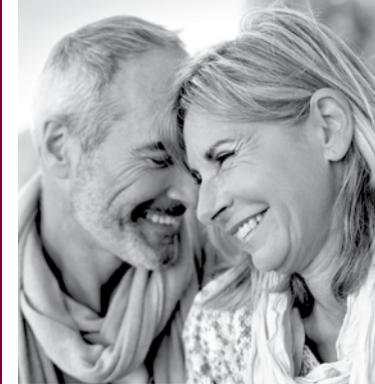

The practice has a large car park. The downstairs waiting area and surgery is disabled friendly.

## KEEP US INFORMED

We will ask you at every visit if there are any changes to your medication, home address or phone number. We will also ask you to participate in our patient surveys. The feedback enables us to be a patient centred practice and respond to your needs.
